

BUILDING INSPECTION DEPARTMENT

ENERGY CODE COMPLIANCE NOTICE

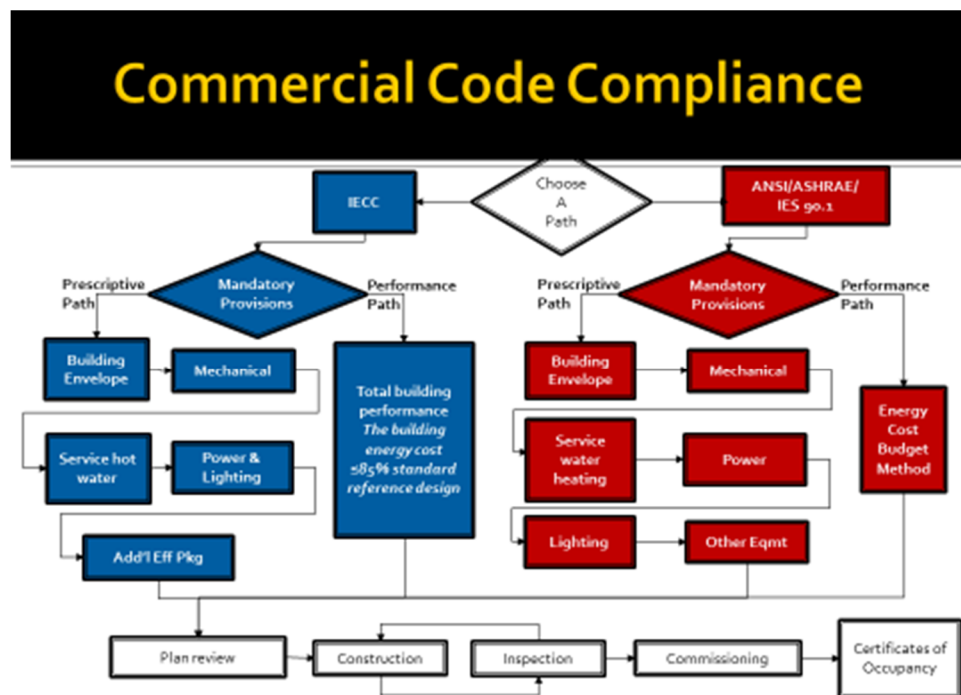

EFFECTIVE NOVEMBER 1, 2016

As published in the Jan. 1, 2016 edition of the [Texas Register](#), SECO amended the 34 Texas Administrative Code [§19.53](#) establishing the 2015 IECC as the energy code for commercial construction, effective Nov. 1, 2016.

The City of McKinney anticipates adopting the 2015 IECC in January 2018, by adoption reference to the State of Texas requirements. The requirements will not change in January 2018. In order to better serve the commercial development community, we are providing the following information for reference in submitting a permit after November 1, 2016.
