TERMS AND CONDITIONS

- I have read, understand, and agree to the following terms:
- The rain and freeze sensor will be in place at the address listed above as long as I own said property.
 - I understand that a representative from the City of McKinney may contact me to verify the installation of the rain and freeze sensor before my application is accepted and rebate money is issued.
 - In accepting this rebate, I acknowledge that the City of McKinney is in no way responsible for the condition of the plumbing on my side of the meter, now or in the future.
 - I understand that the City of McKinney does not endorse specific brands, products, dealers and does not guarantee the performance or durability of the items purchased.
 - It is my responsibility to ensure that the rain and freeze sensor is properly maintained and functions as it is designed.
 - The rain and freeze sensor must be set to the minimum shut off requirement specific to its brand and model.
 - I understand that rebates are only eligible to residential irrigation systems/homes installed/built prior to June 1, 2005
 - I understand I may receive reimbursements not to exceed the amount outlined in the program guidelines. Processing of completed application may take up to 16 weeks. Once processing is complete and the rebate is approved, a credit will appear on your utility bill.
 - I certify that the above information on this application is true and correct to the best of my knowledge.
