

## **CITY OF MCKINNEY DEVELOPMENT SERVICES DIVISION**

### **BUILDING INSPECTION DEPARTMENT NOTICE**

**JANUARY 8, 2020**

On Jan. 7, 2020, the McKinney City Council approved the adoption of the following codes with amendments:

- 2018 International Building Code®
- 2018 International Residential Code®
- 2018 International Plumbing Code®
- 2018 International Mechanical Code®
- 2018 International Fuel Gas Code®
- 2018 International Energy Conservation Code®
- 2018 International Property Maintenance Code®
- 2018 International Swimming Pool Spa Code®
- 2018 International Fire Code

The 2017 National Electrical Code, published by the NFPA, was adopted Jan. 3, 2018, and remains in effect.

On Jan. 14, 2020, the adopted ordinance, amendments and changes will be accessible on our website at [www.mckinneytexas.org/buildinginspections](http://www.mckinneytexas.org/buildinginspections).

The city staff realizes that plan document changes and the enforcement transition is important and we will work with each applicant on this transition during the dates of Jan. 14 – Jan. 31, 2020. Please have all permit documents updated to reflect the newly adopted codes, by Feb. 1, 2020, as well as informing your contractors of this new code adoption.

If you have any questions, please contact our office at 972-547-7400.
